

KOTUN SABIT BABAJIDE

Front-end developer

Lagos, Nigeria | kotunbabajide@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

I am a motivated and aspiring Computer Science student with a strong foundation in front-end development and a growing interest in backend technologies. I am skilled in HTML, CSS, JavaScript and web design tools such as Figma, with hands-on experience developing user-friendly projects. Demonstrates excellent problem-solving, adaptability, and a keen interest in building innovative and efficient software solutions. Eager to contribute technical and creative skills to real-world development projects while continuing to learn and grow in the field of software engineering.
