Professional Profile

I am a highly motivated, compassionate, and dedicated professional with over five years of experience supporting vulnerable individuals, including those with mental health challenges and learning disabilities. I am passionate about promoting comfortable and independent living through prevention, safeguarding, personal care, and emotional and physical support.

I am a dedicated Support Worker with strong experience in delivering person-centred care across both hospital and community settings. Skilled in personal care, emotional support, safeguarding, and working effectively within multidisciplinary healthcare teams. I am committed to maintaining dignity, safety, and the highest standards of care at all times.
